Teaching forms and number of hours:	a. lectures - no of hours: full time study: 25, part-time study. 0 b. classes - no of hours: full time study: 5, part-time study. 0		
Teaching methods:	discussion, research project, sorce texts analysis, consultation with the lecturer, lectures		
Initial requirements and formal prerequisites:			
Learning outcomes:	<p>Knowledge - knows and understands: 1. student knows and understands selected labour market theories and policy 2. student knows and understands connections between theories and policy of labour market</p>	<p>Skills - can: 3. student is able to prepare and conduct basic research in labour market 4. student is able to analyse and present research results</p>	<p>Competences - is ready for: 5. student is eager to discuss and get empirical information on labour market</p>
Assesement methods:			
Formal documentation of the learning outcome:	projects		
Elements of the final grade and their weights:			
Place of teaching:			
Teaching materials (obligatory and additional):			
Remarks: +, ver-lw			

Quantitative indicators describing the module:	
Estimated total number of student work hours (contact and own work) necessary to achieve the learning outcomes assumed for the module - on this basis, complete the ECTS field:	90/0
The total number of ECTS points which the student receives in module requiring direct participation of academic teachers or other persons:	1.4/0 ECTS

Table of compliance of the directional learning outcomes with the effects of the module			
Outcome category	Learning outcomes for module:	Reference to effects for the study program for the direction of study	The impact of classes on the directional effect*)
Knowledge	1. student knows and understands selected labour market theories and policy	EK2_KW01	3
	2. student knows and understands connections between theories and policy of labour market	EK2_KW02	3
Skills	3. student is able to prepare and conduct basic research in labour market	EK2_KU02	2
	4. student is able to analyse and present research results	EK2_KU04	3
Competences	5. student is eager to discuss and get empirical information on labour market	EK2_KK03	2

*) 3 - advanced and detailed, 2 - significant, 1 - basic
